

FIVE STAR: A Community Partnership

Five Star is a partnership program with the goals of not only restoring habitat, but also empowering communities to embrace natural resource stewardship. Together, the commitment of these partners protected a mile and a half of Alcovy River frontage while developing the property into a model low-impact, place-based education facility.

Georgia Wildlife Federation began as a sportsman's organization in 1936 and has grown to become Georgia's oldest and largest conservation organization. Our members include bird watchers, hunters, anglers, educators, gardeners, and hikers — a diverse group of individuals united by our concern and compassion for the environment. GWF utilizes our members' diverse interests to work together and move toward a common goal — protecting Georgia's tremendous natural beauty and diversity. Georgia Wildlife Federation® is a nonprofit, member-supported 501(c)(3) organization.

Trails & Features

For information on East End, or to use the amphitheater for educational purposes, contact

Enjoy The Alcovy at East End!

East End is open between sunrise and sunset.
 Hike at your own risk.
 No bikes, ATV, horses or dogs on trail.
 The canoe launch is closed when flooded.
 Keep the area cleaner than you found it.
