

minutes

We genuinely appreciate your willingness to present and contribute to the success of the GA R3 Summit! In order to participate in the session, please:

1. Email Audrey Hawk with Quail Forever confirming your intent to present ahawk@pheasantsforever.org
2. Design a single PowerPoint slide to highlight your R3 efforts, consider discussing the why, how, results or lessons learned
3. Please include three pieces of information on your slide: name, organization you represent and email to be reached at

While costumes and raps are optional, we encourage you to be creative and fun in your delivery! Submit your slide by July 10th so that we can compile the presentations. See below for example presentations. If you have any questions, concerns, or would like assistance with your presentation, feel free to reach out to us. Our email is ahawk@pheasantsforever.org and bre@gwf.org.
